

Bernd Rode Award 2019

Call for Award

The **Bernd Rode Award** is granted to outstanding scientific and higher education collaborations between European and South-East-Asian universities in the framework of ASEA-UNINET. The award is given every 18 months in three different categories.

The award is named after **Bernd Michael Rode**, an eminent Austrian researcher and founder of the Austrian-South-East-Asian Academic University Network ([ASEA-UNINET](#)).

The Award is associated with financial support up to a maximum of 5.000 euros to enhance and extend the research possibilities in the context of projects backed by ASEA-UNINET (e.g. travel expenses, research stay).

Guidelines

- The award is granted in the following three categories
 - **Junior** (Individual contributions conducted within the framework of ASEA-UNINET, by applicants up to 5 years after completion of their PhD studies)
 - **Senior** (Individual contributions, including all publications and projects carried out in the framework of ASEA-UNINET, by applicants over a period of 5 years after completion of their PhD studies)
 - **Project-based** collaborative research conducted in the framework of ASEA-UNINET
- Scientific contributions and projects (respective contributions in the area of music) are accepted in the three categories (junior, senior, project-based) mentioned above.
- The projects and contributions submitted must have been at least partially funded by ASEA-UNINET after the year 2013 (e.g. joint research project, research-stay, scholarship, etc.).
- The amount of money awarded has to be reinvested into an ASEA-UNINET-supported project.
- Please note that the intention is to award outstanding ASEA-UNINET collaborations and thus only past or ongoing projects are eligible for application, involving researchers from at least two ASEA-UNINET member universities.

Submissions

Submissions are to be sent by email to office-asea-uninet@ifs.tuwien.ac.at and should include the following documents.

- **Junior and Senior submissions:**
 - Short description (about 5 pages)
 - Role of ASEA-UNINET in the work of the applicant
 - CV and publication list (plus the applicants' best publications as full pdf-version max.5)
 - The three most important scientific or artistic contributions of the applicant (max. 200 Words)
- **Project-based submissions:**
 - Short project description (about 5 pages)
 - Role of ASEA-UNINET as facilitator
 - CV and list of publications of the project team
 - Scientific and/or societal education results and publications arising from the project
