The Young Southeast Asian Leaders Initiative (YSEALI) is a public diplomacy program designed to advance regional strategic goals, break down barriers that separate the next generation of leaders in Southeast Asia, and link those emerging leaders to the United States.

The YSEALI Professional Fellows Program (YSEALI PFP) is a two-way U.S. Department of State exchange program designed to strengthen people-to-people ties between young leaders from Southeast Asia and the United States. The 2022 YSEALI PFP is planned as a hybrid program, which will include virtual activities and an in-person U.S.-based institute.

The YSEALI PFP will be administered in two cycles in 2022. Please note that this call for applications is for both cycles. Applicants will only participate in one cycle and can indicate their preferred cycle in their application.
