

[2024 Fall Regular Track] Global EPSS Application Guide

STEP 1. Program of Study and Personal Background

Application My Page Doc. Submission Result

Home > Application > Step1

Application

*** Select "Master's Degree" OR "Doctoral Degree"**

*** Select "Electrical Engineering"**

Step1 Step2 Step3 Step4

Program*	Major*	Faculty (Academic Advisor)
Select	Select	

o Master's program applicants are asked to find UP TO THREE faculty members with their research area and register the names in Faculty section.
o Doctoral program applicants – including M.S.-Ph.D. Integrated program – are asked to find ONE faculty member whom they want to obtain academic advice from and register the name in Faculty section. Communication with the faculty member prior to your application is recommended.

*** Notes**

- The faculty members to register must be affiliated with the department you will apply to.
- Please read [the official application guide](#) and visit [the official website of each department / Starlibrary](#) before you complete rest of the application.

[] - [] Currently employed <input type="checkbox"/>	[]	[]	[]	[]
[] - [] Currently employed <input type="checkbox"/>	[]	[]	[]	[]
[] - [] Currently employed <input type="checkbox"/>	[]	[]	[]	[]
Total : [] year(s) [] month				

Letters of Recommendation

- Please register the professional or institutional email accounts of your two referees for verification.
- Our system will automatically email your referees to request uploading your letter after paying the application fee.
- Your referees must upload recommendation letters on our system by the deadline of document submission. You can monitor the current status of your letters or email to your referees to request letters at [Doc. Submission], 0209.
- * Please note that the earlier you complete your online application, the more time your referees will have to write letters for you.
- * Please do NOT ATTACH your letters to your application packages. We receive them ONLINE.
